Finland's Minister of Defence (MoD), Stefan Wallin, visited Headquarters, Supreme Allied Commander Transformation (HQ SACT) 11 May for meetings with Command leadership and roundtable discussions. He met with Supreme Allied Commander Transformation, French Air Force General Stephane Abrial, to discuss NATO's transformation through Strategic Thinking, Capability Development and Education and Training. ACT's goal is to provide NATO's member nations the best security return possible on their investment.

Mr Wallin is the leader of the Finnish Swedish People's party and has been a Member of Parliament since 2007. Finland is one of NATO's important partner countries.
