

IFIB:

IFIB-ACT-SACT-22-07 MILITARY RESILIENCE ANALYST CONTRACTOR SUPPORT

Reference:

Q & A # 3

Date of Issue:

9 February 2022

The following questions were raised with respect to subject IFIB. Responses are to provide clarification.

Questions	Responses
1. Can ACT clarify the enclosures intended in the table of contents since the enclosure titles listed on pg 6 do not match the enclosures of pages 9-13?	Please provide the information found on page 6 table of content. The table of content includes all key documentation which is also found on Enclosure 1, except Best Value Matrix. Please include your Best Value (grading) Matrix as well. For Enclosures 2 and 3, those can be incorporated with the requirement found on Enclosure 1 (compliance statement and past performance found on pg 10 and 11 respectively). Lastly, provide Enclosure 4 (pg 12).
2. Will ACT verify that no hourly rates should be provided since this is a firmfixed price contract?	It is a FFP Level of Effort contract, therefore an hourly rate must be provided.
3. Will ACT clarify applicable enclosures for pass/fail criteria since enclosures 2-6 are referenced on pg 7, but only enclosures 1-4 are included on pages 9-13 of the IFIB?	As long as you can provide the abovementioned supporting documentation as emphasized on the first question, your company can be deemed administratively compliant.
