1. I noticed that there is one out now (IFIB-ACT-SACT-22-07) that is for the same position. They are both "1 x FTE", one begins on 1 March, the other 1 May. Are there 2 out there or is 22-23 out there in the event 22-07 doesn't fill?	IFIB-22-07 and IFIB-22-23 are two separate and different requirements/positions.  IFIB-22-07 is one FTE solely for Military Resilience Analyst contractor support (which the IFIB/SOW is already out); IFIB-22-23 is one FTE for CIVILIAN-Military Resilience Analyst contractor support, which focuses more on the civilian aspect and the IFIB/SOW will be released around March timeframe.
