## MBC's Distribution List for International Competitive Bidding

TO: MBC's Distribution List for Invitation for International Bidding (IFIB) Procedure

DATE: **16 March 2022**

SUBJECT: Notification of Intent to issue an Invitation for International Bidding (IFIB) for Contractor Support at the NATO Innovation Hub for IT Management of Services and Assets

In accordance with the stipulations of the Bi-Sc Procurement Directive 60-70, Annex B, the following information is provided on an Invitation for International Bidding (IFIB) that this Headquarters has the intention to release:

**IFIB Reference:** **IFIB-ACT-SACT-22-50**

**Title of IFIB:** Contractor Support at the NATO Innovation Hub for Information Technology (IT) Management of Services and Assets

**Requirement:** ACT gives notice of the intent to issue an Invitation for International Bid (IFIB) for the provision of contracted services.

Innovation Hub is seeking an Information Technology Support Technician to ensure that the Innovation Hub Information Technology services and assets are available, managed, maintained, and updated optimally on-site at all times. It is imperative to provide the best Information Technology support to mitigate any and all Information Technology related delays or impediments.

The Innovation Hub information technology services and assets require permanent management, periodic maintenance and updates, occasional upgrades and emergent response to service disruption. The Innovation Technology Information Technology Technician will be the primary person to provide this support.

The ideal candidate shall be experienced in Information Technology operations including resolving, exploring, and following up on Information Technology related issues. The ideal candidate must communicate efficiently and effectively within a team environment, and resolve problems directly and professionally. The ideal candidate must be capable of providing technical solutions to improve the Innovation Hub organization. The ideal candidate must have excellent written and oral communication skills and speak and write in English. The ideal candidate must have excellent client service and is proficient with Windows, Apple OSs, Google Workspace, and network concepts. The ideal candidate must be able to provide Customer Support, IT services, and backup/data recovery solutions.
