Statement of Work (SoW) for Strategic Alternatives (SALT) Branch: 3 Strategic Thinkers Contractor Support

1. Introduction

NATO established Headquarters Supreme Allied Command Transformation (HQ SACT) in Norfolk, VA, in 2003 to lead warfare developments efforts and improve military capabilities to meet 21st century security and defence requirements. This work encompasses the need to enhance the Alliance's ability to apply a comprehensive approach to conduct future operations and engagements with partners, NATO's interactions with non-NATO entities that include states, non-state actors, as well as international and non-governmental organizations.

The Strategic Plans and Policy Directorate (SPP) acts on behalf of Supreme Allied Commander Transformation (SACT) to formulate policies, strategies, engagements, ACT contributions to NATO Defence Planning and Policy (NDPP) and analytical practices that enable the Commander to provide strategic foresight, planning, strategy, policy and alternative advice, concepts and strategic engagements to NATO's political and military leadership.

2. Background

Strategic Alternatives Branch (SALT) operates under the direction of the Deputy Chief of Staff (DCOS) SPP. Initially consisting of data scientists and focused on topics such as Emerging and Disruptive Technologies (EDT), Artificial Intelligence (AI) or Big Data and Advanced Analytics (BDAA), SALT branch conducts alternative and disruptive studies for NATO to be prepared for any threat in the next 4 decades. Thus, it allows NATO to identify future trends and to understand the future security environment.

In December 2020, the NATO Warfare Capstone Concept (NWCC) was signed by SACT. This concept guides future Warfare Development of NATO's Military Instrument of Power (MIOp), and the biennial Warfare Development Agenda (WDA), which is informed by a twenty-year horizon war fighting perspective. SALT branch is tasked to directly support the WDA by leading the Long-term Military Strategic Planning Line of Delivery (LoD) which is listed as a Chief of Defence's (CHOD) priority.

In 2021, SALT branch will focus efforts on Long-term Military Strategic Planning (LTMSp) in the upcoming WDA. In addition, SALT will continue the in-depth study of strategic alternative topics, specifically how the identification and prediction of Discontinuities can aid NATO in military planning efforts. This work follows an initial SALT Discontinuities report delivered at the end of the 2020. In parallel, further work is required following the first Discontinuities report, proposed to the DCOS SPP at the end of December, 2020.

3. Rationale

Based on HQ manning shifts leading to significantly reduced personnel, SALT requires the support of 3 full-time, on-site contractors, specifically, personnel with a background in strategic thinking or former staff officers with valuable experience and knowledge of security and defence specific domains, to assist with the planned work.

4. Scope

The scope of this statement of work (SoW) is to define the requirements for contracting three (3) Strategic Thinkers in support of SALT multiple works in 2021, namely:

1. contractor support to WDA by assisting the LTMSPP LoD;
2. contractor support to develop a follow-on “Discontinuities” report;
3. contractor support for research and execution of 6 follow-on Deep Dive studies recommended in the initial “Discontinuities” report and conduct an in-depth study of strategic alternatives topics (strategic shocks and surprises, discontinuities, etc.).

Within this framework, the contractors will work within SPP/SALT under the directives of the Branch Head, in close coordination with the other staff officers, the other branches of SPP and HQ ACT in the topics listed above. They will provide personal insights and understandings about strategic topics, help in daily work coordination and collaboration efforts, and ultimately produce deliverables and analyses for internal and external use.

5. Type of contract and period of performance

a. Type of contract: this is a firm-fixed price Level of Effort contract in accordance with the general and special terms and conditions. As it is a Level of Effort contract with a maximum limit or fraction thereof as set in the SoW, all employer responsibilities for the Contractors personnel performing under this contract shall lie with the contractor.

b. Period of Performance: Base Period is 1 June – 31 December 2021 with two 12-month option periods: 1 January – 31 December 2022; 1 January – 31 December 2023. SALT requires full time, on-site support (all COVID-19 restrictions will be maintained with efforts to work remotely as they apply). The desire is to continue this support on a year-to-year basis, based on satisfactory work performance, available funding and on-going/evolving requirements.

c. Surge Capability: A surge capability requirement is included to have a contract vehicle in place should emerging circumstances require a quick and temporary increase in contractor personnel or additional effort from existing personnel to meet new requirements within the scope of the existing Statement of Work. The contractor company shall be prepared to provide support services per labour category described above. The contractor shall be prepared to evaluate requirements and submit a price proposal for any new requirement for consideration by HQ SACT but not limited to the related areas above. Surge proposals against existing labour categories shall not exceed the initial proposed rate for the option period. Surge proposals for new labour categories shall be evaluated by the Contracting Officer for fair and reasonable pricing. Surge efforts will be incorporated by formal contract modification. Requests for pricing do not constitute any commitment by HQ SACT to contract for additional work; contractor will not be compensated or reimbursed for costs associated with proposal preparation.

Except for the workers' compensation insurance or any self-insurance program maintained by the Contractor and approved by HQ SACT, in its sole discretion, for purposes of fulfilling the Contractor's requirements for providing insurance under the Contract, the insurance policies required under the Contract shall: name HQ SACT as an additional insured under the liability policies, including, if required, as a separate endorsement under the policy; include a waiver of subrogation of the Contractor's insurance carrier's rights against HQ SACT; provide that HQ SACT shall receive written notice from the Contractor's insurance carrier not less than thirty (30) days prior to any cancellation or material change of coverage; and, include a provision for response on a primary and non-contributing basis with respect to any other insurance that may be available to HQ SACT. The Contractor shall be responsible to fund all amounts within any policy deductible or retention. Except for any self-insurance program maintained by the Contractor and approved by HQ SACT for purposes of fulfilling the Contractor's requirements for maintaining insurance under the Contract, the Contractor shall maintain the insurance taken out under the Contract with reputable insurers that are in good financial standing and that are acceptable to HQ SACT. Prior to the commencement of any obligations under the Contract, the Contractor shall provide HQ SACT with evidence, in the form of certificate of insurance or such other form as HQ SACT may reasonably require, that demonstrates that the Contractor has taken out insurance in accordance with the requirements of the Contract. HQ SACT reserves the right, upon written notice to the Contractor, to obtain copies of any insurance policies or insurance program descriptions required to be maintained by the Contractor under the Contract. Notwithstanding the provisions of Article 6.5.3, above, the Contractor shall promptly notify HQ SACT concerning any cancellation or material change of insurance coverage required under the Contract. The Contractor acknowledges and agrees that neither the requirement for taking out and maintaining insurance as set forth in the Contract nor the amount of any such insurance, including, but not limited to, any deductible or retention relating thereto, shall in any way be construed as limiting the Contractor's liability arising under or relating to the Contract.

24. Equipment furnished by HQ SACT to the Contractor. Title to any equipment and supplies that may be furnished by HQ SACT to the Contractor for the performance of any obligations under the Contract shall rest with HQ SACT, and any such equipment shall be returned to HQ SACT at the conclusion of the Contract or when no longer needed by the Contractor. Such equipment, when returned to HQ SACT, shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear, and the Contractor shall

be liable to compensate HQ SACT for the actual costs of any loss of, damage to, or degradation of the equipment that is beyond normal wear and tear.

25. **Publicity and the Use of the Name, Emblem or Official Seal of HQ SACT.** The Contractor shall not advertise or otherwise make public for purposes of commercial advantage or goodwill that it has a contractual relationship with HQ SACT, nor shall the Contractor, in any manner whatsoever use the name, emblem or official seal of HQ SACT, or any abbreviation of the name of HQ SACT in connection with its business or otherwise without the written permission of HQ SACT.

26. **Privileges and Immunities.** Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of HQ SACT, including its subsidiary commands or activities.

27. **Force Majeure, and Other Changes in Conditions.** In the event of and as soon as possible after the occurrence of any cause constituting force majeure, the affected Party shall give notice and full particulars in writing to the other Party, of such occurrence or cause if the affected Party is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the Contract. The affected Party shall also notify the other Party of any other changes in condition or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. Not more than fifteen (15) days following the provision of such notice of force majeure or other changes in condition or occurrence, the affected Party shall also submit a statement to the other Party of estimated expenditures that will likely be incurred for the duration of the change in condition or the event of force majeure. On receipt of the notice or notices required hereunder, the Party not affected by the occurrence of a cause constituting force majeure shall take such action as it reasonably considers to be appropriate or necessary in the circumstances, including the granting to the affected Party of a reasonable extension of time in which to perform any obligations under the Contract. If the Contractor is rendered unable, wholly or in part, by reason of force majeure to perform its obligations and meet its responsibilities under the Contract, HQ SACT shall have the right to suspend or terminate the Contract on the same terms and conditions as are provided for in Paragraph pertaining to termination rights, except that the period of notice shall be seven (7) days instead of thirty (30) days. In any case, HQ SACT shall be entitled to consider the Contractor permanently unable to perform its obligations under the Contract in case the Contractor is unable to perform its obligations, wholly or in part, by reason of force majeure for any period in excess of ninety (90) days. The Contractor acknowledges and agrees that, with respect to any obligations under the Contract that the Contractor must perform in areas in which HQ SACT is engaged in, preparing to engage in, or disengaging from any peacekeeping, humanitarian or similar operations, any delays or failure to perform such obligations arising from or relating to harsh conditions within such areas, or to any incidents of civil unrest occurring in such areas, shall not, in and of itself, constitute force majeure under the Contract.

28. **Nonwaiver of Rights.** The failure by either Party to exercise any rights available to it, whether under the Contract or otherwise, shall not be deemed for any purposes to constitute a waiver by the other Party of any such right or any remedy associated therewith, and shall not relieve the Parties of any of their obligations under the Contract.

29. Non-exclusivity. Unless otherwise specified in the Contract, HQ SACT shall have no obligation to purchase any minimum quantities of goods or services from the Contractor, and HQ SACT shall have no limitation on its right to obtain goods or services of the same kind, quality and quantity described in the Contract, from any other source at any time.

30. Modifications. Only the HQ SACT Contracting Officer or his designee, or such other Contracting authority as HQ SACT has made known to the Contractor in writing, possesses the authority to agree on behalf of HQ SACT to any modification of or change in the Contract, to a waiver of any of its provisions or to any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in the Contract shall be valid and enforceable against HQ SACT unless provided by a valid written amendment to the Contract signed by the Contractor and the HQ SACT Contracting Officer or his designee. A Contracting Officer's Technical Representative does not have authority to modify the terms or conditions of the Contract in any manner, but may only administer the Contract according to its terms. If the Contract shall be extended for additional periods in accordance with the terms and conditions of the Contract, the terms and conditions applicable to any such extended term of the Contract shall be the same terms and conditions as set forth in the Contract, unless the Parties shall have agreed otherwise pursuant to a valid amendment concluded in accordance with the procedures for amendments established herein. The terms or conditions of any supplemental undertakings, licenses, or other forms of agreement concerning any goods or services provided under the Contract shall not be valid and enforceable against HQ SACT nor in any way shall constitute an agreement by HQ SACT thereto unless any such undertakings, licenses or other forms are the subject of a valid amendment concluded in accordance with the terms of the Contract.

31. Audits and Investigations. Each invoice paid by HQ SACT shall be subject to a post-payment audit by auditors, whether internal or external, of HQ SACT or by other authorized and qualified agents of HQ SACT at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract. HQ SACT shall be entitled to a refund from the Contractor for any amounts shown by such audits to have been paid by HQ SACT other than in accordance with the terms and conditions of the Contract. HQ SACT may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract. The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to HQ SACT access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor's attorneys, accountants, auditors, or other managers, employees or advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by HQ SACT hereunder.

32. Source of Instructions. The Contractor shall neither seek nor accept instructions from any authority external to HQ SACT in connection with the performance of its obligations under the Contract, except as otherwise required by law. Should any authority external to HQ SACT seek to impose any instructions concerning or restrictions on the Contractor's performance under the Contract, the Contractor shall promptly notify HQ SACT and provide

all reasonable assistance required by HQ SACT. The Contractor shall not take any action in respect of the performance of its obligations under the Contract that may adversely affect the interests of HQ SACT, and the Contractor shall perform its obligations under the Contract with the fullest regard to the interests of HQ SACT.

33. Lawful Conduct and Officials Not to Benefit Personally. The Contractor warrants that it has not and shall not offer to any representative, official, employee, or other agent of HQ SACT any direct or indirect benefit arising from or related to the performance of the Contract or of any other contract with HQ SACT or the award thereof or for any other purpose intended to gain an advantage for the Contractor. Any such offer discovered post-award shall result in immediate termination of the contract, disqualification from future business with HQ SACT, and provision of information pertaining to the transaction or attempted transaction to law enforcement authorities. The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the Contract.

34. Child Labour and Sexual Exploitation of Others. The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor's subsidiary or affiliated entities (if any) is engaged in any practice inconsistent with or violation of state or federal child labour laws or international human rights law, which, inter alia, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical, mental, spiritual, moral, or social development. The Contractor shall take all appropriate measures to prevent sexual exploitation or abuse in violation of state or federal law or international human rights obligations of anyone by its employees or any other persons engaged and controlled by the Contractor to perform any services under the Contract. In addition, the Contractor shall refrain from, and shall take all reasonable and appropriate measures to prohibit its employees or other persons engaged and controlled by it from exchanging any money, goods, services, or other things of value, for sexual favours or activities, or from engaging any sexual activities that are exploitive or degrading to any person.

35. Termination. Either Party may terminate the Contract for cause, in whole or in part, upon thirty (30) day's notice, in writing, to the other Party. The initiation of conciliation or arbitral proceedings in accordance with Article 16 "Settlement of Disputes," below, shall not be deemed to be a "cause" for or otherwise to be in itself a termination of the Contract.

36. HQ SACT may terminate the Contract. HQ SACT may terminate the Contract at any time by providing written notice to the Contractor in any case in which the mandate of HQ SACT applicable to the performance of the Contract or the funding of HQ SACT applicable to the Contract is curtailed or terminated, whether in whole or in part. In addition, unless otherwise provided by the Contract, upon sixty (60) day's advance written notice to the Contractor, HQ SACT may terminate the Contract without having to provide any justification therefor.

37. In the event of any termination. In the event of any termination of the Contract, upon receipt of notice of termination that has been issued by HQ SACT, the Contractor shall, except as may be directed by HQ SACT in the notice of termination or otherwise in writing, take immediate steps to bring the performance of any obligations under the Contract to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum; refrain from undertaking any further or additional commitments under the Contract as of and following the date of receipt of such notice; place no further subcontracts or orders for materials, services, or facilities, except as HQ SACT and the Contractor agree in writing are

In the event of any termination of the Contract, HQ SACT shall be entitled to obtain reasonable written accountings from the Contractor concerning all obligations performed or pending in accordance with the Contract. In addition, HQ SACT shall not be liable to pay the Contractor except for those goods delivered and services provided to HQ SACT in accordance with the requirements of the Contract, but only if such goods or services were ordered, requested or otherwise provided prior to the Contractor's receipt of notice of termination from HQ SACT or prior to the Contractor's tendering of notice of termination to HQ SACT. HQ SACT may, without prejudice to any other right or remedy available to it, terminate the Contract forthwith in the event that the Contractor is adjudged bankrupt, or is liquidated, or becomes insolvent, or applies for a moratorium or stay on any payment or repayment obligations, or applies to be declared insolvent; the Contractor is granted a moratorium or a stay, or is declared insolvent; the Contractor makes an assignment for the benefit of one or more of its creditors; a Receiver is appointed on account of the insolvency of the Contractor; the Contractor offers a settlement in lieu of bankruptcy or receivership; or HQ SACT reasonably determines that the Contractor has become subject to a materially adverse change in its financial condition that threatens to substantially affect the ability of the Contractor to perform any of its obligations under the Contract. Except as prohibited by law, the Contractor shall be bound to compensate HQ SACT for all damages and costs, including, but not limited to, all costs incurred by HQ SACT in any legal or non-legal proceedings, as a result of any of the events specified above pertaining to insolvency and resulting from or relating to a termination of the Contract, even if the Contractor is adjudged bankrupt, or is granted a moratorium or stay or is declared insolvent. The Contractor shall immediately inform HQ SACT of the occurrence of any of the events specified above, and shall provide HQ SACT with any information pertinent thereto. The provisions of this paragraph are without prejudice to any other rights or remedies of HQ SACT under the Contract or otherwise.

38. Immunity from Taxation. The Paris Protocol, an international agreement, provides HQ SACT, including its subsidiary and affiliated agencies, commands, organizations and activities, is exempt from all direct taxes, and is exempt from customs restrictions, duties, and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of HQ SACT from such taxes, restrictions, duties, or charges, the Contractor shall immediately consult with HQ SACT to determine a mutually acceptable procedure. The Contractor authorizes HQ SACT to deduct from the Contractor's invoices any amount representing such taxes, duties or charges, unless the Contractor has consulted with HQ SACT before the payment thereof and HQ SACT has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under written protest. In that event, the Contractor shall provide HQ SACT with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized, and HQ SACT shall reimburse the Contractor for any such taxes, duties, or charges so authorized by HQ SACT and paid by the Contractor under written protest.
