

**Request for Proposal Number:** IFIB-ACT-SACT-22-54 Q&A #1

**Reference:** Q&A #1

**Date of Issue:** 24 May 2022

The following questions were raised with respect to subject IFIB/RFP. Responses are to provide clarification.

<b>Question</b>	<b>Response</b>
<p><b>1.</b> The following question relates to the required criteria for “Post secondary education, diploma programme or degree in Information Computer Technology (ICT), Computing Sciences, computer networking or related discipline.” The Scope of Work defines the work as “administration, including information sharing portal, documentation of the exercise planning, event planning, and task management.” Given that most of the duties/tasking required as per SOW are of an administrative/communications nature (and not IT related), would a degree in Business Administration or Communications be acceptable if the candidate has significant IT/IKM and exercise development/planning experience?</p>	<p><b>1.</b> Yes</p>
<p><b>2.</b> Additionally, regarding the degree requirements/criteria, would a degree in an area other than those indicated in the IFIB be acceptable if the candidate demonstrates compliance in all other required requirements/criteria?</p>	<p><b>2.</b> Yes. A degree in an area other than those indicated would be considered if the candidate was compliant in all other areas.</p>
