

Request for Proposal Number: **IFIB-ACT-SACT-22-50 Q&A #1**

Reference: **Q&A #1**

Date of Issue: **13 May 2022**

The following questions were raised with respect to subject IFIB/RFP. Responses are to provide clarification.

Question	Response
1. SOW, Tasks, Websites and Services – what is understood by For 2022, this task will be provided by another contractor. During 2022, the Contractor Candidate will have to get familiar with this task, in order to be able to fulfil this task in full in 2023 and following other Option Periods. - Do you mean that our candidate will have to cooperate with other one, from other company? Is that person already assigned?	1. Yes, the IT Support Contractor will have to cooperate with (an) other Contractor(s) from another Company, that is/are currently assigned and working on this task.
2. SOW, Tasks, Websites and Services - Contractor Candidate will have to obtain knowledge and experience with Drupal CMS/Acquia server by the end of 2022 on their own time/expense (if not already). - Kindly specify what are the trainings/ certifications required to fulfil this?	2. We do not have specific training / certification requirements for this task. We will expect the candidate to be able to fulfil all these tasks using Drupal/Acquia starting in 2023 (with 2022 being a transition year to get familiar with the current set-up).
3. Can ACT please clarify the amount of candidates that could be introduced in this labour category?	3. HQSACT is seeking one candidate for the labour category in the solicitation package.
