1. When reviewing the pricing sheet for RFP for Heating, Ventilation, Air Conditioning, and Refrigeration Maintenance I noticed the line for On Call Services / Hourly Rate: & Parts/Equipment. Please provide clarification for what this entails. The services requested in the RFP are for a firm fixed priced full service maintenance contract. There wouldn't be any additional cost for on call services or parts on equipment covered under the contract. Please advise.	1. Please see Amendment 1 for updates to the pricing sheet labor categories. The pricing schedule has been modified. The line requesting pricing for "On Call Services / Hourly Rate: & Parts/Equipment" has been deleted.
