Question	Response
1. Part 1 Bidding Instruction / Point 4 ELIGIBILITY (b) – Working in the required field of study and legally authorized to operate in the United States of America, at the time of bidding.  What does "legally authorized to operate in USA" mean for company from other country (Poland), what requirements should we fulfil?	A: This could vary by nation; in general if a company is deemed responsible in its home nation and its key proposed personnel have the appropriate work visas upon arrival in the US, there is not an issue. Further information on specific requirements should be requested from the U.S. Department of Commerce.
2. Annex A to Statement of Work - Best value criteria for ...  is the NATO/national SECRET security clearances (or higher) mandatory or preferable with reference to the value you've decided to apply (from 1 to 5 points)	A: The NATO/National SECRET clearance is preferred and therefore will receive additional points for consideration; however, it is not a mandatory requirement.
3. Annex D / Point 3 DEFINITIONS (c) Is the form of employment defined for contractor personnel?	A: No. The form of employment is between the company and the employee/sub-contractor. HQ SACT does not
Do we need to use the same template or just copy paste the content in the enclosure that in a word document or edit the PDF and submit the same forms?	A: Either is acceptable as long as the information is provided.
Do we have any page limits for the entire proposal submission?	A: No
Do we need to just fill the enclosure form, or we should just use the format of the enclosure form?	A: Either is acceptable as long as the information is provided.
