Alberto De Benedictis, Finmeccanica Chief Executive Officer and other representatives from his company visited Allied Command Transformation (ACT) May 24.

While at ACT, De Benedictis and his delegation met with Deputy Supreme Allied Commander Transformation, Polish Army General Mieczyslaw Bieniek, and held roundtable discussions on ACT's key initiatives including Framework for Collaborative Interaction with Industry (FFCI), Maritime Situational Awareness, Cyber Defence and Countering Improvised Explosive Devices.

Finmeccanica operates globally in the aerospace, defence and security markets and is one of the world's leading suppliers of helicopters, aircraft, aeronautics and defence systems. Finmeccanica is also a European leader in space systems, security and resilience, transportation and power generation solutions.

General Mieczyslaw Bieniek holds an office call with representatives from Finmeccanica May 24.
