Reference: Q & A 3

Date of Issue: 03 November 2022

The following questions were raised with respect to subject RFI. Responses are to provide clarification.

Questions	Responses
1. Are efforts of the RFI-ACT-SACT-22-130 combined with the efforts of the RFP-ACT-SACT-22-137? We missed the October 24th RFP bid. Would that disqualify us from responding to the November 11th RFI response?	2. RFI and RFP efforts are not combined and you can submit your response to the RFI.
