Reference: **Q & A # 3**

Date of Issue: **18 February 2022**

The following questions were raised with respect to subject IFIB. Responses are to provide clarification.

Questions	Responses
Is the Contractor required to be located on-site through 31 December?	Per para 9 under the SOW: "Work under this contract will primarily be conducted at the contractor's premises, to include meetings with HQ SACT, Project team, and event locations." Work will be at the contractor's premises.
Do you want travel costs proposed as a separate item within the proposal?	Travel cost will be issued through a separate PO. For your proposal, just provide cost for each deliverable.
As this is FFP, deliverable based, there are sections within the Special Terms and Conditions that do not seem to apply. In particular, can you confirm that the sections do not apply?	- Section 4 Delivery of Service – N/A - Section 5 Exceptions from Delivery of Service – N/A - Section 6 Coordination of Delivery of Service and Personal Leave – N/A - Section 7 Coordination of Absences – N/A - Section 8 Billable Hours – N/A - Section 12 Billing – N/A - Section 14 Invoices – N/A
