1. It is mentioned several time an ANNEX C but unfortunately, we didn't receive it → Is it possible to send it to me please.	1. Annex C has been uploaded to the Contracting website, here: <a href="https://www.act.nato.int/contracting/rfi-act-sact-23-36">https://www.act.nato.int/contracting/rfi-act-sact-23-36</a>
2. We have well noticed that the due date for submission is 28 April 2023 but due to lack of resources at this time and in order to provide you the best and detailed information to your answer, would it be possible to grant us an extension please ? If granted, can you confirm that it will also postpone the due date for questions please ?	2. An extension of one week for both questions and responses can be granted. Please see the Contracting website updated. However, extensions beyond this will begin to impact the time allocated to analyse responses so further extension beyond this will not be possible
