Reference:

Q & A #5

Date of Issue:

14 November 2022

The following questions were raised with respect to subject RFI. Responses are to provide clarification.

Questions	Responses
1 Would you be able to provide data to use for our technical demo?	The decision concerning the data to be used during the trials in April 2024 will be made as planning for the event progresses. An initial trial plan will be drafted by the end of 2023, and the full details will be released (to those selected to participated in the trials based on their RFI responses) in February 2024.
