**RFI-ACT-SACT-23-120 - Next Generation Joint Targeting Capability (NJTS)**

Reference:

Q & A #2

Date of Issue:

22 November 2023

The following questions were raised with respect to subject **RFI-ACT-SACT-22-130 - NATO Classified Cyber Range (NCCR)**. Responses are to provide clarification.

Questions	Responses
<p>1. Can SACT clarify the intent of para 4.3.6: "Response limited to a single main document and enclosures for a total not-to-exceed one page of excel sheet (Annex A)."</p> <p>a. Is it SACT's intent to receive only one electronic file from the respondents?</p> <p>b. Is our written response supposed to be in a one-page tab within Annex A?</p> <p>c. Is Annex-A being considered an enclosure to single main document?</p> <p>d. What is the page limit on the single main document?</p>	<p>a. It is better to receive only one electronic file.</p> <p>b. Yes, you can explain your response in a one-page tab within Annex A.</p> <p>c. Annex A has to be the main document. You can join a one-page tab inside the same electronic file to explain your solution.</p> <p>d. It has to be a one-page file.</p>
<p>2. Can SACT confirm the response dates are as follows:</p> <p>a. Submit questions no later than 0900 EST 01 Dec 2023</p> <p>b. Final submittal no later than 0900 15 Dec 2023</p>	<p>3. Dates are correct, as provided in the RFI, page 2.</p>
