Questions	Responses
1. I work both as a private contractor and as a university researcher. If I submit a response to the RFI based on one role, is it acceptable and/or necessary to submit a separate RFI based on the other role?	1. HQ SACT allows all eligible sources to submit a separate and not the same response to the RFI and each submission shall be treated separately. RFI is open to NATO Nations, Industry and Academia that originate or are chartered/incorporated within NATO Nations.
