Subject:

RFP-ACT-SACT-24-35 Digital Twin Proof of Concept

Reference: **Q&A #1**

Date of Issue: 03 April 2024

The following questions were raised with respect to subject RFP-ACT-SACT-24-35 Digital Twin **Proof of Concept.** Responses are to provide clarification.

1. The RFP states that proposals shall be submitted electronically in two separate PDF focuments, one for Technical and one for Price Proposal. In the section above this, it states that the contents for the entire proposal include: a. Bidder's Information b. Compliance Statement c. Past Performance d. Provision of technical and price volumes e. Compliance matrix Is it requested that both the Technical and Price proposal contain all the above sections i.e. there will be duplications of pages for things such as the compliance Matrix to be submitted as a self-assessment? Or is this just a reference for bidders to ensure they answer in the technical volume to an adequate degree? 2. Is there a page limit, font size and type limitation on the Technical Proposal? 3. Is there a page limit, font size and type limitation on the Technical Proposal? 4. For the technical proposal, is the "Provision of technical volume" equivalent to what is commonly referred to as a "technical narrative"? Additionally, is there a page limit for this section? 5. We would appreciate clarification on where the Compliance statement (Enclosure #1) should be included in the technical or price proposal? 6. Similarly, we seek clarification on where the Compliance statement (Enclosure #2) should be included in the technical or price proposal? 7. For the cost proposal, is the "Provision of price proposal." 7. The price proposal shall be enclosure #3 and should be only 1-2 pages.	Questions	Responses
documents, one for Technical and one for Price Proposal. In the section above this, it states that the contents for the entire proposal include: a. Bidder's Information b. Compliance Statement c. Past Performance d. Provision of technical and price volumes e. Compliance matrix Is it requested that both the Technical and Price proposal contain all the above sections i.e. there will be duplications of pages for things such as the compliance statement, past performance, etc.? 2. Is the Compliance Matrix to be submitted as a self-assessment? Or is this just a reference for bidders to ensure they answer in the technical volume to an adequate degree? 3. Is there a page limit, font size and type limitation on the Technical Proposal? 4. For the technical proposal, is the "Provision of technical volume" equivalent to what is commonly referred to as a "technical narrative"? Additionally, is there a page limit for this section? 5. We would appreciate clarification on where the Compliance Statement (Enclosure #1) should be included in the technical or price proposal? 7. For the cost proposal, is the "Provision of technical or price proposal? 7. The price volume is Enclosure 2. As Bidder's Information b. Compliance matrix b. Compliance matrix b.
